

CONNELLSVILLE REDEVELOPMENT AUTHORITY
FAYETTE COUNTY, PENNSYLVANIA

**CONNELLSVILLE REDEVELOPMENT AUTHORITY
WEST CRAWFORD AVENUE STORM SEWER PROJECT**

W.E. NO. 22841

ADDENDUM NUMBER 3

DATE: June 12, 2024

All Contractors who may be bidding on the work under this Contract shall read and observe this Addendum and any future Addenda.

Every Bidder shall note that while certain requirements in this Addendum may be specifically noted as applying to a particular page, section, and/or plan in the Contract Documents, such changes shall apply also to any other page, section, and/or plan where the change is relevant.

All Contractors who are bidding on this work shall take cognizance of the revisions, changes, additions, or deletions shown in this and future Addenda and shall provide for the same in their Bid.

Please acknowledge that you received this Addendum, either by emailing to rherbert@widmerengineering.com, or by signing it and faxing it back to 724-626-8509. Thanks !!

Please be advised of the following changes:

- 1. The awarded contractor will be required by PennDOT to supply a ~\$135K restoration and maintenance bond.**
