

Q: Please provide details, photographs and specifications for the buildings shown on plan pages 6-7 & 9-10 of 12 and the oxidation tower shown on plan page 8 of 12 for the referenced project bidding Tuesday, August 26, 2025 at 2:00 P.M.

A: As far as contract drawings for this work, we don't have any details drawn beyond what is shown in Widmer Engineering plan sheets 1 -12. We do have some reference drawings for the existing buildings (historic drawings) that you can access at the link below:

[Midland USDA Other Site-related Documents](#)

We don't have any current photos of buildings as part of the bid package. This was left to the contractors to take site visits to see the buildings for themselves. Site visit is still available.

Specifications for this work are included in the bid package provided to bidders.
